

THE CENTER FOR
PROFESSIONALISM & VALUE
IN HEALTH CARE

CHANGING THE ENVIRONMENT OF HEALTH CARE

PRIME Registry

Delivering HIT tools and solutions to support primary care, including:

- > **Population Health**
 - » Module
 - » Curriculum
 - » Performance Improvement Activity
- > **Patient Reported Outcomes**
- > **Reporting Solutions**
- > **ACO Support**
- > **Care Gap**
shares patient's care quality gaps at patient or measure level
- > **Dashboard Tools**
for Primary Care, self-assessment and quality improvement

primeregistry.org/partner-organizations

Measures that Matter to Primary Care

Developing a suite of clinical quality measures aimed at simplifying and improving measurement of primary care, reducing burnout and burden:

- > **Person-Centered Primary Care (PCPCM)**
- > **Continuity of Care**
- > **Comprehensiveness of Care**
- > **Value Care**
- > **Trust**

Collaboration Opportunities

Inviting individuals and organizations across the health care professions to work with us:

- > **Visiting Scholars**
- > **Health Policy Fellowship**
- > **Senior Scholars**
- > **Supporting Professionalism**
- > **Partner with Us**
